

A.R. Adams Funeral Directors Ltd - CMA Standardised Price List

All funeral directors are legally required by the Competition and Markets Authority (CMA) to publish this Price List for a standardised set of products and services. The pricing format the CMA requires is slightly different from the fully transparent way we have always shown our fees. It is there to act as a comparison between funeral directors, however we feel it isn't overly clear nor is it reflective of a typical funeral service. None the less, we are required to show the costs for the basic services listed below.

VISITATION OF THE DECEASED

You may notice on the Standardised Price List that we have shown a charge of £1.00 for visits to the chapel of rest. It has never been our practice to charge any fee for you to come and see your loved one within office hours but the CMA insists that a charge is shown for every item. Hence the nominal fee.
