BESPOKE FUNERAL SERVICE

Bespoke Professional services

For Burial or Cremation : £2,525

This fee covers our professional services to you in making the funeral arrangements, offering advice and guidance on all related matters. Liaising with all third parties. (church, clergy/officiant, crematorium, cemetery, doctors, additional services etc.) Completing all statutory and non statutory paperwork and payments. Our professional services also include the (in working hours) transfer, housing and care of the deceased, our attendance on the day of the service and provision of the hearse. Care and conveyance of all personal items to be placed with or removed from the deceased - ie jewellery, fingerprints, locks of hair, photo frames. The setting up of an online in memory donations account, handling and conveyance of any floral tributes including returning floral tributes to one local address if desired. In the cases of cremation our services also include the collection, logging and storage of cremated remains, where required and arrangement of the interment.
